periods. Yooralla makes this possible in a number  
of ways.

PRESENTS

### "THE BEST OF THE BEST"

Guest Speakers  
**SIR RICHARD HADLEE AND  
KERRY O'KEEFFE**

Friday 13<sup>th</sup> November 2009  
Melbourne Cricket Ground

**YOORALLA**

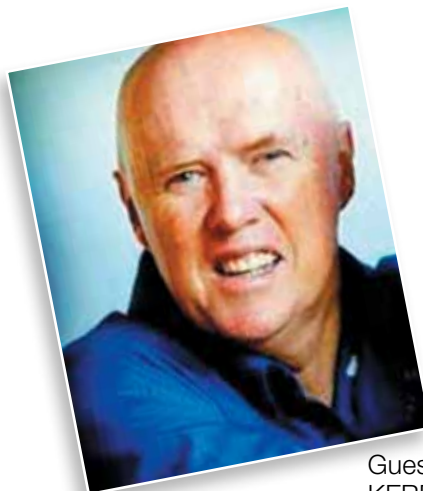

Guest Speaker  
SIR RICHARD HADLEE

Our 1st Special Guest Speaker is arguably New Zealand's greatest ever cricketer. Sir Richard Hadlee was one of the great bowlers of any era or nationality, he made his cricketing debut v Pakistan in 1972/73, was a capable fielder, hard hitting batsman but bowling was his special talent.

Wiry rather than muscular his fierce determination towards batsmen allowed him to master his superb control of pace, swing and cut with his model side-on action that generated speed, lift and late outswing. Off a 12 pace run he bowled faster than anyone and moved the ball prodigiously.

His career: 86 tests for New Zealand  
Bowling - 431 wickets at 22.29  
Batting - 3,124 runs at 27.16  
115 One Day Internationals  
Bowling - 158 wickets at 21.56  
Batting - 1,751 runs at 21.61

He was 1982 Wisden Cricketer of the Year and knighted for services to cricket in 1990.

Guest Speaker  
KERRY O'KEEFFE

Our 2nd Special Guest Speaker is Kerry O'Keeffe. Kerry's instinctive insight into the game of cricket coupled with his unique twist of humour has seen him rise to the top of the cricket commentary field.

Kerry O'Keeffe's test career was spread over seven years in the seventies; with 24 test caps he bowled 53 wickets at 38.07 and made 644 runs at 25.76, with the Centenary Test being a highlight. He has maintained close contact with the game through his coaching and mentoring of a number of today's young rising stars. A thoughtful character, Kerry is now a journalist, media pundit and one of the funniest commentators going around with the best-known laugh in the business. Kerry entertains with hilarious stories and gives his own quirky perceptions and pertinent observations of the game of cricket.
