

## Assistive Technology Learning

### Supplier Display Days – FREE

#### Topics Offered in 2011

- Scooter Display Day
- Paediatric Display Day
- Other – To be specified

#### Aim

To provide an opportunity for participants to become more informed about a specified area of Assistive Technology. Participants will be able to view and trial a large range of products and to talk to specialist suppliers. Effort is made to ensure new products are included in the display.

#### Duration

Supplier Display Days are held between 10.00 am and 3.00 pm. Participants can drop in anytime during this period. Some display days may occur outside of these hours, and will be advertised as such.

#### Cost

FREE – but registration is essential.

#### Potential Audience

- Occupational Therapists
- Physiotherapists
- Nurses
- Funding Coordinators
- Case Managers
- Disability Support Workers
- Students
- Relevant others who are involved with the prescription or purchase of the specified area of assistive technology.

Note: Health Professionals are welcome to bring clients to these events.

**Location:** These events will be held at ILC Brooklyn.
