Equipment Loan Conditions

- Available for all Victorian residents.
- **1 month loan** (if there is no waiting list for the equipment, an extension can be arranged at least one week prior to the due date).
- **Training** on loan equipment is available at commencement of the loan:
 - ComTEC's equipment training sessions are designed to empower a person's ongoing speech pathologist or occupational therapist to support the person and their team during the trial.
 - Equipment training involves demonstration, verbal and written instruction on the key operational features, as well as information on where to access further resources and support.
 - The therapist will be the main contact person responsible for the loan equipment.
- **Costs** for equipment are outlined in this list. **Postage** is also paid by the person hiring the items. Items need to be returned in the same way they were originally sent, such as Express or Registered post or courier. See item grouping for postage method. (Some more delicate/higher end items need to be picked up and dropped off in person).
- Please refer to the Electronic Equipment Library Loan Agreement for the general **conditions** of the loan. This can be found on the Yooralla website at www.yooralla.com.au/comtec/info/equiplib/index.php

Contact the ComTEC Enquiry Line on 9362 6111 to make a loan request with a staff member.
