Booking information

- Please write your name and tick the activities you would like to do then email to holidays.ci@yooralla.com.au
- Activities and times may change due to weather, ticket availability, transport or customer and staff attendance.
- Changes or cancellations may happen depending on COVID-19 restrictions.
- All costs, other than staff support, are to be covered by you.
- If an activity needs a pre-paid ticket, you will be invoiced later and won't need to buy a ticket on the day. You will only need to bring your spending money for other things you want to buy.
- Prices may slightly change due to online booking fees. We will tell you if there is an increase in price.
- If you can't attend a pre-paid activity, refunds will be in line with the activity venue's cancellation policies.
- Unfortunately, we will no longer be sending individual text messages before the day to confirm attendance. If you can't attend an activity, please tell us two clear business days before to avoid being charged 100% of the program support cost, as per the NDIS guidelines.
- A parent or carer must be present at both drop-off and pick-up on the Summer Holiday Program.

What you need to bring

- We will be using public transport on every program. Please bring lunch, or money to buy lunch, Companion Card, Myki Card and money to top-up, water bottle and appropriate clothing.
- If you need to take medication during an activity, please bring your medication documents.

How we are being COVIDSafe

- If you are booked in, we will call you the day before the activity to ask some COVID-19 screening questions.
- We follow the State Government guidelines. This means that customers aged 12+ need to wear face masks on public transport, taxis or when it's not possible to socially distance (unless a medical exemption has been provided). This may be subject to change. Please contact your regional representative for more information.
- We will ask you for a copy of your vaccination certificate (unless a medical exemption has been provided).
